**SUPPLEMENT TO MOTION FOR  
CLASSIFICATION OF EXHIBITS AS  
CONFIDENTIAL/PROTECTED AND  
REQUIRING *IN CAMERA* FILING  
AND REVIEW**

**Docket No. 2015-026**

**Cause No. 131-141**

COMES NOW, Crescent Point Energy U.S. Corporation ("CPE"), by and through its attorneys Fox Rothschild LLP, and pursuant to Utah Code Ann. §§ 63G-2-305(1), (2) and Rule R641-105-300 of the Board and the Utah Division of Oil, Gas and Mining (collectively, "UDOGM Rules"), hereby files its Supplement ("Supplement") to its Motion for Classification of Exhibits as Confidential/Protected and Requiring *In Camera* Filing and Review ("Motion"), as filed with the State of Utah Board of Oil, Gas and Mining ("Board") on December 23, 2015.

Specifically, CPE wishes to provide the Board, via this Supplement, with additional details concerning the information CPE seeks to be deemed confidential and protected pursuant to its Motion.

In support of this Supplement, CPE states and alleges as follows:

1. As set forth in the Motion, CPE is in possession of certain information, maps and/or data germane to, and/or which will provide additional support for, CPE's request in connection with the above-captioned matter (collectively, "Information").

2. Pursuant to the Motion CPE has requested that the Board deem such Information confidential and protected pursuant to Utah Code Ann. §§ 63G-2-305(1), (2).

3. In an effort to provide the board with a more detailed description of the Information on which to base its decision concerning the Motion, while still preventing direct disclosure of the same through provision of the exhibits prior to the Board's decision concerning the Motion, CPE provides the following description of the contents of the Information:

a. The Information contains specific, visual/map depictions of CPE's ownership of leasehold working and other related interests, recognizing that such ownership is not generally known by the public and/or was obtained by CPE at its sole cost and expense;

b. The Information contains confidential cross-section geologic tracer data for two (2) vertical wells associated with CPE's request in connection with the above-captioned matter, including lithology and a pay map;

c. The Information contains confidential map depictions of subsurface geology detailing formation thickness, pinch-outs and related data concerning various subsurface formations/zones found in lands associated with CPE's request in connection with the above-captioned matter, which is not generally known by the public and/or was obtained by CPE at its sole cost and expense;

d. The Information contains confidential summaries of the various state, federal and tribal regulatory/administrative/permitting matters CPE must contend with in order to

establish full development the lands associated with CPE's request in connection with the above-captioned matter;

e. The Information contains a confidential description of CPE's development plans for the lands associated with CPE's request in connection with the above-captioned matter;

f. The Information contains CPE's confidential 2015 and 2016 budget data for the lands associated with CPE's request in connection with the above-captioned matter; and

g. The Information contains confidential well data (which confidential status pursuant to UDOGM Rule R649-2-11 has been previously granted by the Utah Division of Oil, Gas and Mining ("Division")) for five (5) of CPE's newest horizontal wells drilled on lands associated with CPE's request in connection with the above-captioned matter.

4. CPE provides this Supplement in further support of its request via the Motion to classify the Information as confidential and protected by the Board, to allow of any exhibits filed by CPE concerning the same *in camera* by the Board and the staff of the Division only, and to prohibit the review of the same by the general public.

Respectfully submitted this 7th day of January, 2016.
